Located in the Europa Square financial district, Torre Realia is presented as a representative symbol of the area. Designed by the Japanese architect Tosho Ito, the emblematic building is distributed over 23 floors above ground (ground floor and 22 office floors) and 3 basement floors for parking. It is an exclusive office building, whose large open and flexible spaces are available as work surfaces adapted to current needs, looking for flexible and versatile environments capable of responding to different structures as required by the user. It is a building free of 4 glazed facades from floor to ceiling, with a curtain wall system that brings a lot of light and natural beauty The building has quality finishes, 8 elevators, access control system, 24 hour security and internal messaging service. The distribution of the office consists of a diaphanous, wide and bright floor that adapts to different programmatic needs. It has a modular metal suspended ceiling with built-in lighting, technical floor, air conditioning system, electrical, telephone and computer pre-installation, fire detection systems. The Plaza Europa area offers a large number of services that create value for its users: Restaurants, Banks, Hotels, Schools and Shopping Centers Excellent communication with the ce [...]
